Births	1844-1865
Marriages	1844-1854
Deaths	1844-1857

(An Act approved by the Governor March 16th, 1844 put forth various rules and regulations relating to the recording Births, Deaths and marriages. The clerks, however, in these early years did not carry out the dictates well and there are many omissions and obvious errors. Some years are missing entirely. There are also a number of dates predating the 1844 mandate. They are not in chronological order.)
